## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

North Myrtle Beach Intermediate School (NMBI) is made up of more than 600 students, 49 professional staff members and 15 support staff members. We have a School Improvement Council made up of parents, employees, and community members that met quarterly; School Leadership Team is made up of staff members from every department of NMBI. Together we form the NMBI family and are representative of the community we serve. We are also fortunate at NMBI to have more than 50 parent and community volunteers that give of themselves to enhance the mission of our school.

Throughout the 2010-11 school year, we held celebrations to recognize the students' achievements in academics, attendance, and character development. Each quarter we held a NMBI Awards Program where we recognized students that achieved honor roll, merit, roll, perfect attendance, and citizenship awards. In addition, we had more than 120 students identified and served in the gifted and talented program, 226 students identified as Duke Tip Scholars, and 18 students registered to participate in the Duke program. There were 67 Gold recipients that were recognized for academic excellence and 51 Silver recipients who were recognized for academic achievement in the President's Education Awards Program. We are very proud of the many accomplishments of the students at NMBI.

At NMBI, we believe students need to be a viable members of the community for which we live and learn to make contributions to steadily improve our community. The students and staff of NMBI collected nearly \$10,000 during the 2010-11 school year to assist others in need. They did so through such programs as The American Heart Association, Special Olympics, March of Dimes, United Way, Unicef, The Humane Society of NMB, and Relay for Life. We feel strongly that our contributions will continue to strengthen our community. Our students also participated in community outreach through Beach Sweeps, working with Habitat for Humanity, recycling, and community beautification projects.

North Myrtle Beach Intermediate School received the accreditation status of "All Clear" from the State Department of Education for the year and continues to be accredited through the AdvancEd regional accrediting organization.

As we move into 2011-12, we know our staff, parents, community members, School Improvement Council, and School Leadership Team will provide opportunities for students to excel academically, socially, and emotionally. We will do this through continued focus on academics and community.
